

# Pathways to Careers at

**Consumers Energy** *Count on Us*<sup>®</sup>

## **ATTENTION: High School Students and Educators**

*Careers in Energy Week Exclusive Online Panel  
Hosted by Consumers Energy*

**Date:** Monday, Oct. 19, 2020

**Time:** 1 p.m. – 2:30 p.m.

**Zoom:** Free to attend

Join us to explore an essential industry with a dynamic future in clean energy. Current professionals will share about a broad range of high paying careers in energy. You will also learn about:

- Stable careers that will both charge and change a future.
- Opportunities to protect our nation's resources, while serving your communities.
- Key pathways of focus that include education programs and activities like FIRST Robotics, courses to take in high school, apprenticeship readiness and college programs offered in Michigan.
